Choice New Gladiolus

Grown, Originated and Introduced by American Gladiolus Society Member

Mrs. Margaret Tenant
Gladiolus Grower and Originator
R. 3, STURGIS, MICHIGAN

Bulbs and Cut Flowers in Season
My Gladiolus

Reds, Dusky Cnes, Whites, Lavenders, Pinks and Vivid Blues,

With throats of Gold, White, Pink and Creamy Dew.

Foliage broad with spikes tall, straight and true.

That’s the kind of Glads I will gladly send to you.

Plant A Row--Watch Them Grow
Choice new introductions for 1928 with ratings and descriptions by Gersdorff. Each bulb personally inspected before packing.

Order early as stock is very limited of most varieties. No mixtures. No substitutions without permission.

Remittance must accompany all orders, by money order or bankable check. Foreign orders by money order only, with additional amount for postage. Postage prepaid in U. S. A.

All stock guaranteed healthy and true to name; any proving otherwise will gladly be replaced.

Bulbs graded by standard of sizes established by American Gladiolus Society, No. 1-1 1-2 1/16 up.
